A LETTER FROM DR. DWYANE WADE SR.

Dear Friends and Family,

I hope this letter finds you well. I'm **Dwyane Wade Sr.**, reaching out as a husband, father, Grandpa, and friend with a heartfelt request for your support. Excitingly, my son, the *NBA Hall of Fame* recipient, **Dwyane Wade Jr.**, and my accomplished daughter, the Honorable Dr. Tragil Wade, are joining me in a united family effort to support our philanthropic endeavors.

Originally planning a charity golf tournament to restart my annual *ProPops Foundation, Inc.*, a 501-3c, basketball camps and clinics, unforeseen challenges like COVID and a personal health crisis slowed us down. Nevertheless, we're back, stronger as a family. A call from Tragil expressing her desire to collaborate with my charity golf event, and her suggestion to involve her brother sparked an idea. Now feels like the perfect time to give back to them and express my pride in their contributions not only to our nation but to children worldwide.

Each of my children embodies the spirit of giving, a testament to our family legacy—a legacy I envisioned and prayed to build. Today, I invite you to join us on the green with your favorite Hall of Fame family. Together, let's make a difference by supporting underserved youth and mothers. We're working to raise awareness and resources for our mentorship and sports programs, creating a positive impact on the lives of those who need it most.

Your support means the world to us, and we're excited about the positive change we can achieve together. Please join us in this noble endeavor and help make a lasting impact on the lives of underserved youth and mothers through mentorship and sports programs. We are coming up on our 10th year at ProPops Foundation but our first time on the green with friends. I hope to see you there.

Thank you for considering our request, and we look forward to your generous support.

Sincerely,
Honorable Dr. Dwyane Wade Sr.

Partners Association “In the weeks leading up to the ProPops basketball camps, I personally drove all over town with Dwyane to buy supplies, to meet with vendors, to scope out gyms and classrooms. He sweats the details to provide life-changing highlights for kids and families. He is the first to arrive and the last to leave.”

-Pastor Scott Claunch

Working with D. Wade, Sr., was a unique experience since I knew him on a different level, as a high school basketball coach. He was always witty and openly shared his charismatic vision for his foundation. He has had a positive influence on those around him while working with the ProPops Foundation.”
